

UCSF Research and Academic Building at ZSFG

November-December 2019 Update

Recent Activity:

- A project Town Hall Meeting, hosted by Vice Dean Sue Carlisle, was held on October 24th. The slides can be viewed online at <http://tiny.ucsf.edu/63cxrS>.
- The UC Regents [voted to approve](#) the design and budget for the UCSF Research and Academic Building at ZSFG at their November 13th meeting.
- Following the departure of Ellen Owens for a job at UCOP, The RAB has an interim Project Manager: Ron Blaj, UCSF Director of Design & Construction for the East Zone.

Anticipated Activity in the Near Future:

- The Project Team will request information through [Fraser Conrad](#) to inform the Construction Documents design phase, including specifications of specialty equipment.

Reminder of the Month: Construction begins in 2020!

Action Steps: Watch for site activity updates from the UCSF Real Estate, ZSFG Dean's Office, and SFDPH communication teams
