

## Clinical Sciences Building Retrofit and Renovation

The Clinical Sciences Building (CSB) is being renovated to meet current seismic safety requirements and to provide instructional and meeting spaces that support modern teaching and research. The project will also connect Parnassus Ave. to the interior Saunders Court with a new entrance and gateway. Construction is scheduled to be complete in late 2019.

### Noisy Work January 2019 Demolition in Magnolia Courtyard

- Demolition of the walkways and connectors between CSB and Magnolia Court and CSB and UC Hall is scheduled to start Thursday January 3. This work is expected to be noisy.
- Demolition is expected to continue through mid-February. The activity is not expected to be continuous; there should be breaks in the noisy work.
- Demolition activity is scheduled to take place between 8am – 5pm weekdays and 9am – 4pm Saturdays.
- Demolition will be followed by the installation of exterior scaffolding.

Infrequent, short (2-5 minute) closures of the pedestrian spine between Nursing and UC Hall are expected; flaggers will be present to provide direction.

To learn more about the CSB project, including a monthly construction update please visit the CSB webpage on [space.ucsf.edu](http://space.ucsf.edu).
