

Recent Activity:

- The Project Team is working to complete Construction Documents, the final design phase.
- DPH and UCSF are collaborating to provide outreach about the B/C lot closure, currently expected in mid-March, and alternate parking.

Anticipated Activity in the Near Future:

- Preliminary Construction Documents are scheduled to be finished in February and submitted for permitting.
- The ZSFG Community Meeting, hosted by DPH, is scheduled for 6:30 – 8:00 pm on Wednesday, January 29th in Building 5, Room 2A6.
- The Project Team’s collaborative “Big Room” co-location work space will move to a new site a few blocks from ZSFG in the next couple of months.

Reminder of the Month:
