

UCSF Research and Academic Building at ZSFG

May 2019 Update

Recent Activity:

- The Town Hall for the project held in Carr Auditorium on April 29th can be viewed at <http://tiny.ucsf.edu/RABTownHall042919>.
- Design Group discussions resulted in a set of proposed modifications to the building program, which will now be reviewed by the project committees for their impact to space allocations, schedule, and budget.
- The project team successfully presented to the Potrero Boosters neighborhood association and the San Francisco Arts Commission.

Anticipated Activity in the Near Future:

- Dates in July for the first round of Design Development (DD) Design Group meetings will be sent out shortly.

Reminder of the Month: An initial draft rendering of the building exterior reflects the historical character of the red brick buildings at ZSFG. The design will continue to be refined throughout the DD phase.
