

Recent Activity:

- We issued the seventh edition of the project newsletter via email and [online](#), and made updates to the [project website](#).
- A design update and initial construction logistics information were shared at the ZSFG Community Meeting held on Wednesday, October 16th.
- The RAB Governance Group held a half-day retreat to begin their work establishing a structure of policies to guide our use of the building.

Anticipated Activity in the Near Future:

- A Town Hall hosted by ZSFG Vice Dean Sue Carlisle will detail the results of Design Development. October 24th at 12pm in Carr Auditorium.
- The UC Board of Regents will review the project design in November.
- As we approach construction, UCSF and DPH will coordinate to keep the ZSFG community consistently informed about building site activity.

Reminder of the Month: Beautiful exterior forms and landscape designs will complement state-of-the-art interior spaces
