

Update: Real Estate, Planning and Capital Programs

Parnassus Seismic Renovation Program

June - August 2017

What is happening?

Clinical Sciences Building (CSB):

The new general contractor, Plant Construction, will be on site in June 2017. See space.ucsf.edu for real-time updates.

The new CSB - Anticipated completion date for the renovation is early 2019. Learn about Open Plan Design, see floorplans and building renderings at space.ucsf.edu/clinical-sciences-building
